WHEN EVERYONE COUNTS, EVERYONE WINS!

Our community is counting on you!

The 2020 Census determines how much federal money our community will receive each year for the next ten years.

Money for programs and services like: utilities, fire and police departments, schools, nonprofit services and much more. It also helps decide voting districts and how many legislators represent us at the state capitol and in Washington.

By law, your Census information cannot be shared with any other government agency.

Every person counted could mean up to $1,675 per year for our community for the next 10 years.

OK, Let's Count! Census 2020
